Community Living Support (CLS) Housing

Community Living Support provides clients with a greater level of need than standard home care to remain in the community and live in an independent setting. For clients that meet this level of need, they are able to live in a house or apartment with up to 3 roommates. Clients are able to manage their day-to-day activities with the comfort of knowing that a certified caregiver is in the home up to 24 hours a day 7 days a week to assist with activities of daily living such as personal care, meal preparation, and light housekeeping. For more information on these types of services please contact our office.
