

Wellness Medical Programs

Each fall, Complete Home Care Services of Tennessee is available to conduct influenza immunization clinics anywhere in our [service area](#). We can also contract with schools, employers, and other organizations to provide clinics at a reduced rate. Immunization clinics are a great way to

save money by reducing absenteeism and lost productivity through winter months due to flu outbreaks.

[Contact](#) our office to learn more about our staffing or wellness services. We'll be happy to tailor a program for your needs.
